

Did you know that telepathic communication with Animals

- Is the first language that all creatures use
- Is used today, not only by animals but also by humans
- Is believed by some scientist to be the future way of communication for humans and machines
- Is a way that we can communicate with our friends, family and our animal friends

Yes, you can learn this skill!

Join Kathy Grimes (an animal communicator with 19 years experience) for an introductory session on telepathic communication and how to use it to talk with your human and animal friends.

Date: Saturday, May 1, 2010

Time: 1:00 am – 5:00 pm (5-9pm practice time)

Cost: \$60.00

Bring: A dish to pass for dinner. A picture of your animal.

Place: Hermitage Farm Center for Healing

6415 West River Road NW

Rochester, MN (507) 281-2791

Registration Due by: April 25, 2010. Send check to Hermitage Farm or call for registration
