Official Program Provider
The BEYOND SURGERY® Program, Inc.
www.BEYONDSURGERY.net

The BEYOND SURGERY® Program Target Audience

A continuing education program for nurses, physicians, body therapists, counselors, psycho-therapists, other health professionals, and individuals desiring an in-depth understanding and practice of healing work related to pre and post-surgical interventions as integrative adjuncts to medical care.

Course Pre-Requisite

Completion of Healing Touch Level 2 (OR, completion of Healing Touch Level 1 with permission of instructor).

Course Description

This interactive training program combines specific holistic tools to help you reduce pain, accelerate healing and relieve stress for persons undergoing surgical or medical procedures, chemotherapy, radiation or any procedure involving discomfort or anxiety. This is a course of study towards a certificate of completion as an approved provider for The BEYOND SURGERY® Program. This comprehensive seminar incorporates a variety of basic healing modalities and coaching techniques.

Course Content

- Overview of BSP components, including Healing Touch, Customized Guided Imagery, Anxiety Release Technique, and HeartMath® Technology.
- Basics of Surgical Coaching including elimination of anxiety, focus on positive outcomes, elevation of immune system, physical relaxation, creation of support systems, and initiation of the body's innate self-healing response.
- Description and experiential of Anxiety Release Technique (ART)

- Description and experiential of HeartMath® technology and the Quick Coherence Technique® for emotional shifting and activating the body's innate healing response.
- Overview of Guided Imagery and its rationale for usage in medical settings, plus specific Guided Imagery protocols for the BSP.
- Principles and practice of Healing Touch techniques specific to BSP, including Directed Healing Technique.
- Additional training for chemo and radiation applications, for Healing Touch in the operating room, and for long-distance healing.
- Utilization of teaching tools for clients, including Client Workbook, Guided Imagery CD, and specific self-help patterning techniques.

Workshop Schedule

Fri: 7pm-9:30pm;

Sat: 9am-6:30pm; Sun: 9am-5:30pm

Location:

Hermitage Farm Center for Healing
