

## Community Shamanism & Peacemaking

With Myron Eshowsky

Mediator, Shamanic Healer & Author

November 3, 2012 9:00 AM-4:00 PM (Lunch provided)

Myron Eshowsky, M.S.(Counseling), is an author, mediator, consultant, shamanic healer, and educator. He is a pioneer in the integration of shamanic methodology for the purpose of addressing modern problems.

He has authored dozens of articles on these topics in a wide range of journals and the highly acclaimed, [Peace with Cancer: Shamanism as a Spiritual Approach to Healing](#).

For the last two decades, he has studied extensively how cultures throughout the world view and address conflict. He has consulted and taught throughout the United States, Canada, and Europe.

His unique synthesis of spiritual healing modalities has proven to be powerfully effective for many of his clients. Listening deeply, he works with clients to get to the core concerns in order to facilitate deeper healing and personal development. Clients commonly report: “feeling better than I have in years”; “through the years, words you said to me have been a source of direction and support”; “brought a unique and different perspective to the issues in my life”; or “life changing”.

**Pre-quisite for Workshop:** This workshop is intended for participants who have had some Shamanic Journeying experience. Hermitage Farm Center for Healing offers a monthly Journeying Group (<http://www.hermitagefarm.org/workshop.html>) on the fourth Monday of each month. If you are interested in participating and need some instructions to this spiritual process, please call Hermitage Farm at 507-281-2791 for instructions prior to the monthly Journeying Group.
