

Earth Energies, Dowsing and Earth Grids

August 18, 2012 9:00 AM-4:00 PM (Lunch included)

Mother Earth is full of Energy and can teach us much about the how the land is inter-related to our daily living. Come and learn basic dowsing techniques. Practice dowsing the Land and learn how the ancient technique of Dowsing can be used to identify things in the land: items, water and energy! Practice mapping the earth grid on the land at Hermitage Farm. This workshop is for anyone who would like to learn or who already has experienced the techniques in Dowsing.

Presenter: Lisa Van Getson, Nurse Practitioner, DNP (c), Hermitage Farm Healing Arts Practitioner. Please read Lisa's Bio on www.hermitagefarm.org

Lisa learned the ancient knowledge and experience of Dowsing in England while studying with famous Dowsers. She also experienced the earth energies at Stonehenge and the Mary and Martha energy lines during her studies.
