The Rainbow Bridge – A Path to Personal and Planetary Transformation

Facilitated by Earth Mages Char Tarashanti and Brianne Wolf-Elias

Undeniably, the world that we know is changing, and at an increasingly quick pace. We hear predictions, both ominous and glorious, of a shift in the vibration of Mother Earth and in the consciousness of her children, the human race. The focus of the timeframe for this shift is December 2012, but we know it has already begun and will likely continue well beyond that climactic point on the calendar. What will actually happen? Who will survive and how? What is the purpose and meaning of it all? Explore some possible answers to these and many other related questions in the company of fellow travelers on this journey. Learn how you can be part of the Rainbow Bridge to create “heaven on earth.” Become the personal and planetary change that you long to see. You will be guided through Five Steps, and each step will be applied on the micro level first and then the macro level.

The Five Steps are:

1. Recognition, 2. Remembrance, 3. Reclamation, 4. Recreation, 5. Reconciliation.

Meetings will be 7 – 9 PM on the 4th Tuesday of the month January – November, and December 18 (instead of the 25th) 2012, at the Hermitage Farm Center for Healing.*

January 24th will be a **Free Introductory Session** with an overview of this year-long odyssey of body, mind, and spirit. Please do not register or pay for the subsequent meetings until you have attended this one. Bring your curiosity and your friends!!! The dates for the series are listed below. Each pair of sessions will have a micro (self) focus in the first session and a macro (world) focus in the second.
