

***DANCES OF UNIVERAL PEACE***

*With facilitator Francis and Colette Gurtz and Miller*

**The third Friday of each month  
7:00-8:30 pm**

The Dances of Universal Peace are sacred circle dances, with very simple movements, done while singing or chanting phrases or names of the Divine from many of the world's spiritual traditions. Leader and musicians are in the center; songs and movements are taught just before we do them. No experience is needed, and all are welcome. Moods of the Dances can range from meditative to celebratory to ecstatic. Themes are of peace, healing, and unity. We create a sense of community, celebrate the underlying unity of all spiritual traditions, and gain an appreciation of other cultures as well as our own.
